Admin Guide • Loan Officer Guide • Operations Manual

Table of Contents

1. Logging In
2. Super Admin Dashboard
3. User Management
4. Loan Review Workflow
5. System Configuration
6. Audit Logs
7. Telegram Bot Commands

1. Logging In

Navigate to <https://nexusfinancefintech.vercel.app> and enter your email and password. You will be redirected to the appropriate portal based on your role.

Email	Password	Role
admin@nexus.com	password123	Super Admin
officer@nexus.com	password123	Loan Officer

2. Super Admin Dashboard

The dashboard provides an overview of the entire platform:

- Outstanding balance and total volume
- Active customers and loan count
- Recent transaction history
- Quick access to Apply Loan, Repay, Wallets, Support

3. User Management

Navigate to the Users section (Admin sidebar) to:

- View all registered users with search and pagination
- Change user roles (Customer, Loan Officer, Super Admin)
- Reset user passwords
- View user creation dates and last login

4. Loan Review Workflow

4.1 Viewing Applications

The Loans Ledger shows all loan applications with status, amount, applicant, and dates.

4.2 Reviewing an Application

- Click on any loan to open the detail modal
- Review applicant information and financial details
- Check the credit score and DTI ratio

4.3 Taking Action

- Approve — sets status to 'approved' and notifies the customer
- Reject — sets status to 'rejected' with optional reason
- Hold — keeps the application in review status

5. System Configuration

Super Admins can adjust platform settings:

- Interest rates (monthly)
- Auto-underwrite threshold
- Platform name and branding
- Minimum and maximum loan amounts

6. Audit Logs

Navigate to History Logs to view the complete audit trail. Every action — logins, loan changes, profile updates, password changes — is recorded with timestamps and user details.

7. Telegram Bot Commands

The following commands are available to Super Admins via the Telegram bot:

Command	Description
/stats	View platform statistics
/loans	List recent loan applications
/users	List registered users
/notifications	View recent payment notifications
/broadcast <message>	Send a message to all linked users
/send <user_id> <message>	Send a message to a specific user
/reminder-check	Run payment reminder check now

Tip

Link your Telegram account first with /link, then confirm with /confirm <code> so the bot can send

you notifications.
